Humanity's last hope of defeating the machines

(817) 456-7890  
neo@matrix.net

## EXPERIENCE

### **The Oracle, The Matrix – *The One***

APR 2199 – PRESENT

Find The Oracle and become The One to defeat the machines and save humanity

### **Nebuchadnezzar, Zion – *Deckhand***

UNK 2199 – PRESENT

Restock fuel and other supplies when docked at Zion

Assist crewmates with daily operations of the ship, including cleaning, preparing food, and other duties

Study martial arts, advanced weapons training, and various other combat disciplines in simulations of The Matrix

### **Meta Cortex, Los Angeles, CA, The Matrix – *Lead Programmer***

JAN 1998 – MAY 1999

Added graphics support to nextgen spreadsheet software on cutting edge CPU architectures

Ported several 16-bit programs to 32-bit CPUs used by internal teams for executing business process at-scale

Fixed bugs for client assembly programs

## PROJECTS

### **Find Morpheus – *Find Morpheus and The Matrix***

<http://whatisthematrix.net>

Assumed an online persona as Neo to scour online message boards for clues on finding The Matrix. Hacked into many systems to exfiltrate information on the latest whereabouts of Morpheus and Trinity.
